

St. Paul Parish School
Preschool & Pre-Kindergarten Programs
2011 - 2012

St. Paul Parish School is excited to offer a Catholic faith-based program for children ages three, four, and five in our community. We offer a child-centered environment encouraging children to explore and discover the gifts within themselves, which allow them to grow in knowledge, attitudes and values. The preschool program will provide a wonderful opportunity for children to begin interacting with peers while exploring the world around them. Our pre-kindergarten program will emphasize the natural development of the child's academic talents. Both programs are certified by the State of Oregon Child Care Division.
