

About Us

FAMILY GROUPS:

Family Groups

An important way that St. Paul Parish School promotes a sense of community is through Family Groups. A Family Group is made up of children from each grade level and one staff member at our school. The Family Group activities are led by an eighth grade student. The students experience many different activities together that foster our mission statement and give students opportunities to learn about our Schoolwide Learning Expectations.

The sense of connectedness between even the youngest of our students and the oldest Middle School student is amazingly strong. Family Groups meet regularly to talk, pray, and participate in special events. This practice ensures that everyone has a core of schoolmates and teachers across the grades that they know and trust.
