

ZooSnooze Alert
May 10-11, 2012

The third grade will be culminating our study of animals and their habitats with a trip to the Oregon Zoo! We will pull together many of the topics and lessons we will have learned in language arts, social studies, math, and of course, science. The **ZooSnooze** is a group overnight adventure that begins at 5:00pm, Thursday, May 10, 2012; some of the exciting features are:

- ❖ Start the evening with a pizza dinner
- ❖ Go on a personal guided nighttime safari through the zoo grounds after closing
- ❖ Tour behind the scenes (not in the cages!)
- ❖ Encounter animals (reptiles and insects) up-close with special presentations
- ❖ Eat snacks
- ❖ Sleep at the zoo
- ❖ Enjoy the African Aviary during our continental breakfast
- ❖ Watch animals get enrichment toys we've made
- ❖ Explore the zoo on our own

We will leave St. Paul Parish School at 2:00pm on Thursday and return at 2:00pm on Friday afternoon. The cost is \$48.00 per person, student or adult.
