May 27 th	Papa Pizza Lady Visit 10am
May 31 st	No School Memorial Day
June 4 th	Jog-a-thon
June 10 th	Field Trip to Roaring Rapids and Camp Putt

A Week at a Glance

This week we will start our unit looking at frogs. We will be reading and writing about frogs in reading. In science we will be learning about the life cycle of a frog.

This week in math we will continue our unit that will be looking at time and money. This unit can be very hard for some students and the more experiences that they have with time and money will only help. Allowing your child to purchase items with coins is one great way to help learn about coins.

We will also be continuing our Talk About Touching curriculum this week. This week we will be learning about the unsafe touches and the touching rule. We will also be learning what to do if the touching rule is broken. Please refer to the attached for information about the touching rule.

Personals

Today during Monday Morning Muster Mrs. Braud presented a check to Project Starfish for \$8,300. This money was raised during the Lenten Season though many events such as the Spaghetti Feed, Bake Sales, and Roaring Rapids Pizza night. Thank you for all of your support in making this service project successful.

Reminders

Kindergarten will be hosting Mass with Pre-School on Wednesday, May 26th at 9am.

Don't forget about getting those Jog-a-Thon pledges!

The Kindergarten class are Rhinoceros for the Jog-a-Thon. Go Rhinos!
